

# BUSINESS IMMIGRATION SUPPORTING NEW BUSINESSES IN CANADA

Starting a business in Canada offers great opportunities, but navigating the legal and regulatory requirements can be challenging. At Migration to Canada, we will discuss the immigration path you're taking with your corporate lawyer and accountant to make sure your business meets all the legal requirements of that program.

We also offer valuable assistance with immigration pathways for entrepreneurs, including the Start-Up Visa Program, which enables you to bring innovative business ideas to life. Additionally, our services extend to securing work permits, ensuring that your business can attract and retain the skilled talent it needs for success in Canada.
